### Project S.A.F.E

*Safety Awareness Family Education*

Project S.A.F.E is the AMA's most popular outreach event program with over 100 participating communities each year meeting needs of residents and communities since 2004. Get involved with your surrounding neighborhood and set *your* property apart from the rest.

### Safety:

- The AMA partners with precincts statewide to offer Personal Safety Seminars for residents of apartment communities.
- Neighborhood Alliance or Block Watch Programs like Graffiti Buster, Weed n Seed
- Counts as one of 2 Community Events involving your residents and surrounding neighborhood residents and businesses
- Complete Application along \$65 Application Fee.

### Awareness:

- Improved performance of your property-both financial and professional.
- Marketing materials to illustrate your commitment to elevated levels of resident care.
- Reductions in liability insurance
- Professional recognition by industry peers & managers
- Community & Neighborhood recognition for excellence in leadership.
