\*The *Local Initiative and Mobilization Fund* was established to provide available resources for quick action and response to issues that favorably or unfavorably affect our industry. This fund is not a Political Action Committee as defined by State or Federal law.

Dues payments, contributions or gifts to The Arizona Multihousing Association are not tax deductible as charitable contributions for federal income tax purposes. However, they may be deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of the AMA's lobbying activities as defined by the Budget Reconciliation Act of 1993. The AMA estimates that the nondeductible portion of your 2010 dues (the portion that is allocable to state and federal lobbying) is 21%.

"Your membership in the Arizona Multihousing Association includes membership in the National Apartment Association. Twenty-eight dollars of your annual membership dues goes toward a one-year subscription to Units magazine and is non-deductible from association dues payment."
